Styles, product availability and construction may vary slightly from those shown in this book due to material availability and/or design evolution. In keeping with our practice of continuous product improvement, Diamond Cabinets may adjust specifications in design and materials as conditions require. Some components may utilize differing materials to ensure a high-quality product in all applications.

Product photography and illustrations have been reproduced as accurately as printing technologies permit. To ensure highest satisfaction, we strongly recommend you view an actual sample for best color, wood grain and finish representation.

Diamond[®] is a certified brand in the Kitchen Cabinet Manufacturers Association (KCMA) Environmental Stewardship Program. The program recognizes companies that demonstrate an ongoing commitment to environmental practices and sustainability.

When Hardwood is painted, cabinet components, doors and/or drawer fronts may be constructed of various hardwood materials and/or composite materials such as Medium Density Fiberboard (MDF) and/or High Density Fiberboard (HDF).

When Hardwood is stained, cabinet components, doors and/or drawer fronts may be constructed of various hardwood materials.

Diamond[®] has a Limited Lifetime Warranty.
